Dear Sirs:

This is a LETTER OF APPEAL for Father Yermo Elementary School BEN 92999, Application number 587418, "Funding Year 2007 Form 471 Postmarked Outside of Window Letter". Form 471 application was postmarked on 03/01/2007, which was AFTER the 2007-2008 filing window that closed at 11:59 p.m. EST on Thursday, February 8, 2007.

During the last months of 2006 I, Sr. Maria J. Munguia, was under serious medical treatment that prevented me to perform my administrative work. In the first days of January 2007, we had the serious illness and funeral of one of our sisters in the community. These troubled circumstances affected my job. Father Yermo Schools is a poor understaffed institution and I am the only person who applies and manages the E-Rate grant. I was aware of the fact that I applied late, but I submitted it in the hope to explain to you the valid reasons for this delay. I am enclosing a copy of my physician's letter and the death certificate of Sr. Rosario to support my appeal.

I hope you can consider this LETTER OF APPEAL. I applied only for the basic services. The grant can help our school very much in our already meager budget.

Sincerely,

Sr. Maria Jesus Munguia  
Administrator.

The Universal Service Administrative Company (USAC) received your request for a waiver of the Application Filing Deadline for Funding Year 2007 of the Schools and Libraries Universal Service Support Mechanism.

Federal Communications Commission (FCC) rules do not permit USAC to consider requests for waivers. If you believe there is a basis for further examination of your request, you may file a waiver request with the FCC. You should refer to CC Docket No. 02-6 on the first page of your waiver request to the FCC. If you are submitting your waiver request via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554.
